

Sourav Pal

WORDPRESS DEVELOPER

OBJECTIVE

To leverage my skills as a WordPress developer, utilizing my expertise in theme customization, plugin development, and website optimization, to create dynamic and user-friendly websites that meet clients' needs while staying up-to-date with the latest web development trends and best practices.

EXPERIENCE

WORDPRESS DEVELOPER, AMPEXCEL TECHNOLOGIES

March 2022 - Present

As a WordPress developer in my current company, my responsibilities include designing and developing custom WordPress themes, plugins, and websites, optimizing website performance and security, troubleshooting technical issues, and collaborating with cross-functional teams to deliver high-quality solutions.

WORDPRESS DEVELOPER, SHOUTSPARROW DIGITAL SOLUTIONS

Dec 2020 – Aug 2021

Developed and maintained WordPress websites, implemented custom themes and plugins, optimized site performance, ensured compatibility across browsers and devices, and provided ongoing support and troubleshooting.

WORDPRESS CONTENT EDITOR, STUMENT PRIVATE LIMITED

Sep 2019 – Nov 2020

As a WordPress Content Editor, my responsibilities included creating, editing, updating and publishing content, managing website updates, optimizing SEO.
